## **STAFF**

All ecoACTIVE staff members are experienced in working with young people and in a schools setting. Workshops are delivered by one of our two Education Officers, or an experienced Lead Session Worker and usually accompanied by at least one Session Worker and one volunteer.

The team will arrive half an hour before the workshop begins and report to the school office in the first instance. We are happy to provide ID and CRB reference details for all staff upon arrival (please let us know ahead of time whether this info will be required at the school office on the day).

Bearing in mind that ecoACTIVE staff are workshop facilitators and not all qualified teachers, we would ask that a teacher be present at all times during the workshop/project. The teacher will be able to relay our work to the rest of the school team and ensure that the impact of our work is far-reaching.

We look forward to working with you. With best wishes,

EcoACTIVE Team
